RELATED TASK STATEMENTS

None

IDPH NURSE AIDE TRAINING PROGRAM CURRICULUM 2004 ILLINOIS NURSE AIDE TASK LIST MATRIX

MODULE

001 Introduction to the Health Care Systems.

OBJECTIVES

List the members of the health care team. Identify the members of the nursing team.
Describe the differences in responsibilities.
Describe the educational requirements.
Describe license/certification requirements for RNs, LPNs, and nursing assistants.

CONTENT

1. Functions of health care systems.
 - B. The health care team
 1. Members
 2. The nursing team
 - a. Members
 1. Registered nurses
 2. Licensed practical nurses
 3. Nursing assistants
 - b. Responsibilities
 1. RNs
 2. LPNs
 3. Nursing
 - c. Education
 1. RNs
 2. LPNs
 3. Nursing assistants
 - d. License/certification requirements
 1. RNs
 2. LPNs
 3. Nursing assistants

TEACHING / LEARNING ACTIVITIES

Reading Assignment

RELATED TASK STATEMENTS

A003 Communicate with resident, staff and family within HIPPA guidelines.
A009 Reinforce instructions from other health professional to resident and family.
A021 Carry out assignment from supervisor.
A028 Attend meetings.
F001 Maintain confidentiality of resident information according to HIPPA guidelines.
F002 Refer visitor to licensed staff to maintain procedures for legal access to resident and/or records.
F014 Demonstrate professional ethics.

IDPH NURSE AIDE TRAINING PROGRAM CURRICULUM 2004 ILLINOIS NURSE AIDE TASK LIST MATRIX

MODULE

001 Introduction to the Health Care Systems.

OBJECTIVES

Define ethics.

Describe ethical behavior for nursing assistants.

Describe the crimes which can occur in health care settings.

Define negligence and malpractice.

Give examples of negligent acts which have been committed by nursing assistants.

CONTENT

1. Functions of health care systems.
 - C. The Nursing Assistant
 1. Ethical implications
 - a. Definition
 - b. Codes of ethics
 2. Legal implications
 - a. Criminal laws
 - b. Negligence and malpractice

TEACHING / LEARNING ACTIVITIES

Reading Assignment

RELATED TASK STATEMENTS

F001 Maintain confidentiality of resident information according to HIPPA guidelines.

F002 Refer visitor to licensed staff to maintain procedures for legal access to resident and/or records.

F003 Provide an environment in which resident can maintain privacy and personal belongings.

F004 Care for personal belongings of resident.

F006 Identify and report suspected resident abuse or neglect.

F007 Maintain resident's right to quality care.

F008 Assist resident in making personal choices (individual needs).

F009 Address the resident by the name of his/her choice.

F010 Provide abuse free (mistreatment and neglect) care.

F011 Report neglect or abuse of resident's property.

F012 Assist resident in personal communication (letter writing, phone calls etc.).

F013 Assist resident in exercising citizenship rights.

F014 Demonstrate professional ethics.

IDPH NURSE AIDE TRAINING PROGRAM CURRICULUM 2004 ILLINOIS NURSE AIDE TASK LIST MATRIX

MODULE

001 Introduction to the Health Care Systems.

OBJECTIVES

Identify differences between the role of the nurse assistant in primary nursing, team nursing, and functional nursing.

CONTENT

1. Functions of health care systems.
 - D. Patient care approaches
 1. Primary nursing
 2. Team nursing
 3. Functional nursing

TEACHING / LEARNING ACTIVITIES

Reading Assignment

RELATED TASK STATEMENTS

A009 Reinforce instructions from other health professional to resident and family.

A021 Carry out assignment from supervisor.

A022 Communicate need for changes in care plan.

A027 Communicate successful techniques with nursing supervisor and other staff members.

A028 Attend meetings.

IDPH NURSE AIDE TRAINING PROGRAM CURRICULUM 2004 ILLINOIS NURSE AIDE TASK LIST MATRIX

MODULE

001 Introduction to the Health Care Systems.

OBJECTIVES

Explain the purpose of home health agencies.
Describe the organization of a home health agency.
Identify the responsibilities of home care team.

CONTENT

2. Home Health Agencies.
 - A. Purposes
 - B. Organization
 - C. Team Member Responsibilities

TEACHING / LEARNING ACTIVITIES

Reading Assignment

None

IDPH NURSE AIDE TRAINING PROGRAM CURRICULUM 2004 ILLINOIS NURSE AIDE TASK LIST MATRIX

MODULE

001 Introduction to the Health Care Systems.

OBJECTIVES

Understand that changes in nursing procedures may be necessary in the home setting.

CONTENT

2. Home Health Agencies.
 - D. Nursing Care

TEACHING / LEARNING ACTIVITIES

Reading Assignment

RELATED TASK STATEMENTS

A021 Carry out assignment from supervisor.

IDPH NURSE AIDE TRAINING PROGRAM CURRICULUM 2004 ILLINOIS NURSE AIDE TASK LIST MATRIX

MODULE

001 Introduction to the Health Care Systems.

OBJECTIVES

Identify the basic psychological, social, and physical changes that occur with aging.

CONTENT

3. Philosophy of patient care.
 - A. Geriatric patient
 1. Aging process
 - a. Psychological
 - b. Social
 - c. Physical

TEACHING / LEARNING ACTIVITIES

Reading Assignment

RELATED TASK STATEMENTS

- A001 Observe and report resident data (verbal).
- A002 Record subjective & objective resident data (written).
- A004 Write reports concerning resident care and condition, accidents and incidents.
- A005 Check current documentation of resident status and care.
- A011 Communicate with limited English proficient resident.
- A012 Communicate with alert resident impeded by mechanical/physical limitations.
- A024 Communicate with resident with hearing disorder.
- A026 Communicate with dementia residents.
- A029 Communicate with sensory-impaired resident.
- A031 Observe, report and record changes in resident's behavior pattern.
- B051 Recognize and report abnormal signs and symptoms in common diseases and conditions.
- D001 Orient visually impaired resident to environment.
- E001 Observe and report resident's level of orientation.
- E002 Provide emotional and spiritual support for resident and family.

IDPH NURSE AIDE TRAINING PROGRAM CURRICULUM 2004 ILLINOIS NURSE AIDE TASK LIST MATRIX

MODULE

001 Introduction to the Health Care Systems.

OBJECTIVES

Explain what is meant by resident rights.

CONTENT

3. Philosophy of patient care.
 - B. Ethical and legal considerations.
 1. Resident

TEACHING / LEARNING ACTIVITIES

See Module II

RELATED TASK STATEMENTS

- F001 Maintain confidentiality of resident information according to HIPPA guidelines.
- F002 Refer visitor to licensed staff to maintain procedures for legal access to resident and/or records.
- F003 Provide an environment in which resident can maintain privacy and personal belongings.
- F004 Care for personal belongings of resident.
- F006 Identify and report suspected resident abuse or neglect.
- F007 Maintain resident's right to quality care.
- F008 Assist resident in making personal choices (individual needs).
- F009 Address the resident by the name of his/her choice.
- F010 Provide abuse free (mistreatment and neglect) care.
- F011 Report neglect or abuse of resident's property.
- F012 Assist resident in personal communication (letter writing, phone calls etc.).
- F013 Assist resident in exercising citizenship rights.

IDPH NURSE AIDE TRAINING PROGRAM CURRICULUM 2004 ILLINOIS NURSE AIDE TASK LIST MATRIX

MODULE

001 Introduction to the Health Care Systems.

OBJECTIVES

Describe six types of elderly abuse.

Identify the signs of elderly abuse.

Describe the role of the nursing assistant in reporting signs of suspected elderly abuse.

CONTENT

3. Philosophy of patient care.
 - B. Ethical and legal considerations.
 2. Elderly abuse
 - a. Types
 1. Physical abuse
 2. Verbal abuse
 3. Involuntary seclusion
 4. Financial abuse
 5. Mental abuse
 6. Sexual abuse
 - b. Signs
 - c. Reporting

TEACHING / LEARNING ACTIVITIES

A012 Communicate with alert resident impeded by mechanical/physical limitations.
A022 Communicate need for changes in care plan.
A024 Communicate with resident with hearing disorder.
A026 Communicate with dementia residents.
A029 Communicate with sensory-impaired resident.
A027 Communicate successful techniques with nursing supervisor and other staff members.
A031 Observe, report and record changes in resident's behavior pattern.
B015 Provide for environmental safety.
B026 Adjust bed and side rails.
B054 Provide assistance to hysterical or disorientated resident.
B055 Provide assistance to a resident with seizures.

IDPH NURSE AIDE TRAINING PROGRAM CURRICULUM 2004 ILLINOIS NURSE AIDE TASK LIST MATRIX

MODULE

004 Safety.

OBJECTIVES

Explain why level of awareness can put a person at risk for accidents.

CONTENT

- 4. Safe environment.
 - B. Level of awareness
 - 1. Confusion
 - 2. Disorientation
 - 3. Coma

TEACHING / LEARNING ACTIVITIES

None

RELATED TASK STATEMENTS

B051 Recognize and report abnormal signs and symptoms in common diseases and conditions.

IDPH NURSE AIDE TRAINING PROGRAM CURRICULUM 2004 ILLINOIS NURSE AIDE TASK LIST MATRIX

MODULE

005 The Patient's Unit

OBJECTIVES

Explain how to perform a final unit check.
Perform a final unit check.
Explain how to protect the person's rights when working in his/her environment.

CONTENT

4. Final unit check.
 - A. Side rails
 - B. Bed position
 - C. Personal equipment
 - D. Linen
 - E. Signal light
 - F. Safety Hazards
 - G. Other
5. Patient/resident rights

TEACHING / LEARNING ACTIVITIES

None

RELATED TASK STATEMENTS

A003 Communicate with resident, staff and family within HIPPA guidelines.
A004 Write reports concerning resident care and condition, accidents and incidents.
A005 Check current documentation of resident status and care.
A008 Reinforce or assist with resident teaching.
A009 Reinforce instructions from other health professional to resident and family.
A010 Report pests.
A013 Report service and repair needs for equipment.
A020 Inventory and label personal property.
A022 Communicate need for changes in care plan.
A030 Report unsafe conditions.
B009 Straighten unit.
B010 Prepare soiled linen for laundry.
B011 Report the need to adjust environmental factors in unit (heat).
B013 Distribute supplies and equipment to unit.
B017 Position bed and place needed equipment within reach of resident.
B019 Clean and disinfect unit.
B021 Evaluate equipment for safe use and need for repair.
B026 Adjust bed and side rails.

IDPH NURSE AIDE TRAINING PROGRAM CURRICULUM 2004 ILLINOIS NURSE AIDE TASK LIST MATRIX

RELATED TASK STATEMENTS (Cont.)

- C036 Implement nursing measures to promote comfort, rest and sleep.
- D001 Orient visually impaired resident to environment.
- E001 Observe and report resident's level of orientation.
- E007 Orient resident and family to facility and room.
- E008 React to resident's emotional needs.
- F001 Maintain confidentiality of resident information according to HIPPA guidelines.
- F002 Refer visitor to licensed staff to maintain procedures for legal access to resident and/or records.
- F003 Provide an environment in which resident can maintain privacy and personal belongings.
- F004 Care for personal belongings of resident.
- F006 Identify and report suspected resident abuse or neglect.
- F007 Maintain resident's right to quality care.
- F008 Assist resident in making personal choices (individual needs).
- F009 Address the resident by the name of his/her choice.
- F010 Provide abuse free (mistreatment and neglect) care.
- F011 Report neglect or abuse of resident's property.
- F012 Assist resident in personal communication (letter writing, phone calls etc.).
- F013 Assist resident in exercising citizenship rights.
- F014 Demonstrate professional ethics.

008 Personal Care of the Patients

OBJECTIVES

Give a complete bed bath according to established standards.
Give a partial bed bath according to established standards.
Assist a person to take a tub bath according to established standards.
Assist a person to take a shower according to establish standards.

CONTENT

- 2. Bathing.
 - G. Procedures
 - 1. Complete bed bath
 - 2. Partial bath
 - 3. Tub bath
 - 4. Shower

TEACHING / LEARNING ACTIVITIES

Demonstration/student return-demonstration

RELATED TASK STATEMENTS

A001 Observe and report resident data (verbal).
A002 Record subjective & objective resident data (written).
A003 Communicate with resident, staff and family within HIPPA guidelines.
A004 Write reports concerning resident care and condition, accidents and incidents.
A005 Check current documentation of resident status and care.
A009 Reinforce instructions from other health professional to resident and family.
A013 Report service and repair needs for equipment.
A021 Carry out assignment from supervisor.
A022 Communicate need for changes in care plan.
A031 Observe, report and record changes in resident's behavior pattern.
B015 Provide for environmental safety.
B022 Wash hands aseptically.
B026 Adjust bed and side rails.
B040 Use universal precautions.
B057 Prioritize order of care for residents with various needs.
C002 Give resident a bed bath.

IDPH NURSE AIDE TRAINING PROGRAM CURRICULUM 2004 ILLINOIS NURSE AIDE TASK LIST MATRIX

RELATED TASK STATEMENTS (Cont.)

- C007 Provide skin care to resident.
- C019 Assist resident with bath or shower.
- C020 Give resident bath or shower.
- D008 Administer tepid bath.
- D012 Apply lotion (If not medicated).
- D007 Assist with whirlpool treatment/therapeutic bath (if not medicated).

- E004 Apply reality orientation technique.
- E008 React to resident's emotional needs.
- F001 Maintain confidentiality of resident information according to HIPPA guidelines.
- F002 Refer visitor to licensed staff to maintain procedures for legal access to resident and/or records.
- F003 Provide an environment in which resident can maintain privacy and personal belongings.
- F004 Care for personal belongings of resident.
- F005 Assist dementia resident with validation (affirmation).
- F006 Identify and report suspected resident abuse or neglect.
- F007 Maintain resident's right to quality care.
- F008 Assist resident in making personal choices (individual needs).
- F009 Address the resident by the name of his/her choice.
- F010 Provide abuse free (mistreatment and neglect) care.
- F011 Report neglect or abuse of resident's property.
- F013 Assist resident in exercising citizenship rights.
- F014 Demonstrate professional ethics.
