

The Illinois Nurse Aide Testing has completed some changes to the website (<https://nurseaidetesting.com>) in the Coordinators and Instructors navigation. The drop-down menu from the main navigation has been replaced with a Toolbox for Coordinators and Instructors landing page. To access this page, simply click the Coordinators & Instructors link in the main navigation menu. This is found in the maroon ribbon near the top of the page. Below is an image with the link circled in yellow.

After clicking this link, you will be taken to the Coordinators & Instructors main landing page (image below). Below, you will find an image of the landing page. The middle column is an accordion menu that contains the links to your resources.

To open an accordion menu item to access your links, click on the toggle icon, circled in YELLOW. Accordion Header names are circled in BLUE. These are titles only and are not active links. Links are identified with a bullet point to the left of the link and are circled in GREEN. Clicking this link will take you to the resource.

It is possible that you may have to refresh a cached page. Typically, on a windows computer, you can load the page and click the F5 key, or Control + F5. On a Mac, click Command + R.

Please feel free to take a little time to reacquaint yourself with this new layout.

If you have questions or need assistance, please contact Bob Marlow at [robertmarlow@siu.edu](mailto:robertmarlow@siu.edu).
